DO No. ICEGOV/MeitY/2017
Dated: 30th January, 2017

Sub: India hosting 10th Edition of International Conference on Theory and Practice of Electronic Governance (ICEGOV 2017)”

Dear Chief Secretary,

This is with reference to our earlier letter dated 28th July 2016 regarding the 10th edition of ICEGOV– The International Conference on Theory and Practice of Electronic Governance – from 7-9 March 2017, in New Delhi being hosted by Government of India with UNESCO and the United Nations University’s unit on policy-driven electronic governance (UNU-eGOV). Our Minister, Shri Ravi Shankar Prasad, Hon’ble Minister, MeitY is the Chair of the Conference.

2. The conference theme of ICEGOV 2017 is “Building Knowledge Societies: From Digital Government to Digital Empowerment”. For more information about ICEGOV 2017, please visit the website available at www.icegov.org

3. In light of the fact that ICEGOV is being organized for the first time in India and with a theme which is grounded in Indian experience and of global importance, as well as the digital initiatives taking place in states/UTs, I request you to kindly block your calendar to be part of ICEGOV 2017 and also nominate a team of 3-4 team members to participate in the Conference. This participation will provide an opportunity for international exposure as well showcasing works done by your teams.

4. For any queries, please contact Ms. Radha Chauhan, P&CEO, National e-Governance Division (NeGD), MeitY, at ceo@digitalindia.gov.in with a copy to icegov@digitalindia.gov.in (ICEGOV project team).

With regards,

Yours sincerely,

(Aruna Sundararajan)
